

Make your talent thrive!

## YOU'LL BE IN good company

eFrontPro supports hundreds of organizations and businesses to empower their people and make their talent thrive. Fujitsu, Honeywell, Autodesk, Schneider Electric, and many more global companies trust eFrontPro for their Learning & Talent Development needs and enjoy the results.

---

### **Fujitsu Australia Limited** **North Sydney, Australia**

*"We found eFrontPro to be the complete solution. It provided an extremely wide array of functionality, but was still simple and easy to use. The technical requirements of the solution were straightforward. We could rapidly implement the solution. Fujitsu employees have completed over 10,000 courses in the past 12 months using the eFrontPro platform."*
